

## Nova 93.7's Nathan, Nat & Shaun breakfast show

Nathan, Nat & Shaun hit the Perth radio airwaves in 2009 and haven't looked back since.

Nova 93.7 breakfast show is hosted by ex-Big Brother contestant Nathan Morris, Nat Locke who had more reinventions than Madonna (including chiropractor) and settled on radio announcer, and the people's champion, former Fremantle Dockers Shaun McManus.

From playing their very own game of Quoit Racket Stool Hole, stitching up newsreader Ellie and overly critiquing delivered sausage rolls to having their co-workers dance for the Premier, no day is EVER the same with Nathan, Nat & Shaun.

Nathan, Nat & Shaun can be heard from 6am to 9am on Nova 93.7 in Perth. Listeners can stream the show live or catch up with the daily podcast by downloading the Nova Player.
