

Ty Frost hosts Mornings on Smooth FM

Ty Frost creates an easy place for listeners to 'feel good' as they get into the swing of things at work, from 9am to 1pm, on Smooth FM around the country.

With over 25 years of experience in the radio industry, Ty joined Smooth FM's on-air line up in April 2012 after his mellifluous voice came to the attention of programming executives.

The son of radio veteran Ian Marshman, Ty's passion for radio was fuelled at a young age. He got his start in radio in December 1993 as an announcer on the regional stations 3SH Swan Hill and then Wangaratta's 3NE.

In September 1995 he joined NOVA Entertainment as an announcer on B104.9 in the Albury Wodonga area. He moved to Melbourne in December 2001 to take up the position of Webmaster and on-air announcer for the launch of Nova 100.

From 2006 Ty focused on his digital and on-line career, occupying various senior digital roles within the network over the next five years, before making his way back to being a radio announcer, the role he most wanted to do growing up.

Ty Frost can be heard from 9am to 1pm weekdays on Smooth FM around the country.
